C-8 PROGRAM

As communicated on August 5th, we will be doing additional C-8 blood sampling on individuals who were sampled in early April and those who moved into the permanent jobs in TEFLON® in late April.

We want to complete this sampling within the next four weeks. Samples will be taken in Medical on "F" Shift.

Please call Jeanne Johnson (days only) or the shift nurses on Ext. 4300 to schedule the blood sampling.

The individuals in your Division who are to be included in this program are listed below:
